

Intimacy scale - secondary school

Questioning

1. Did everyone in the group agree on the rating?
2. What would a couple do if they had different ideas about what intimate things they wanted to do together?
3. Would the ratings change as a person got older?

Teacher Reference Sheet

Students are to use the following categories to arrange the scenarios on a continuum.

Categories	Scenarios
Most intimate	Showing affection in public
Lest Intimate	Dancing together
	Saying 'I love you'
	Texting or messaging each other
